

Dimensional Freight Quote

GO FROM ZERO TO SHIPPING IN MINUTES

What is Dimensional Freight Quote?

You can create an account or simply skip the account setup process and book your shipment.

All customers are able to use Dimensional Freight Quote.

What are the benefits?

- ⊕ Access to market competitive rates using dimensions instead of NMFC class
- ⊕ A quote process that is fast and easy and provides instant pricing
- ⊕ Ability to secure and finalize quotes online with credit card payment
- ⊕ New customers can book and pay in one visit without account setup process
- ⊕ **Customers that choose to log in will receive the following benefits:**
 - The Bill of Lading and quote will be saved in the customer folder for future access
 - Credit card payments will be visible from Online Payment History
 - The ability to track shipments
 - The option to choose between online credit card or e-check payment

When you use Dimensional Freight Quote, you can choose Time-Critical, Guaranteed or Standard Delivery – the choice is yours with the click of a button.

Choose Time-Critical, Guaranteed or Standard delivery—the choice is yours with the click of a button.

It's easy!
Here's how it works:

- 1 Go to www.yrc.com/instant-quote to get started.
- 2 Enter shipping details:
 - Pickup Date
 - To and from locations
- 3 Select handling unit (carton, drum, pallet or skid).
- 4 Choose from our additional service options, such as inside pickup, inside delivery, liftgate pickup and more.

You'll be quoted delivery rates based on the information you've entered, and you can then choose between Time-Critical, Guaranteed Standard or Standard delivery based on your scheduling requirements.

Convenient online payment options, Bills of Lading, labels and quote letters will have your shipment on its way in no time!

Try the Dimensional Freight Quote tool today and go from ZERO to SHIPPING in minutes! Call 1.800.610.6500 or visit my.yrc.com today to learn more.

(Because the system-generated quote ID must be present on the Bill of Lading to receive the dimensional web quote, it is recommended that the customer use the Bill of Lading generated by the program. If a different Bill of Lading is used, the Quote ID, PRO Number and the service type must be noted on the Bill of Lading in order to receive the quoted rate.)
