CROSS-BORDER MEXICO

KEEP FREIGHT MOVING WITH FASTER CROSSINGS AND FEWER HASSLES

HOW SHIPPING IS DONE.

Moving freight back and forth between the United States and Mexico doesn't have to be difficult. Cross-border shipping with YRC Freight gives you peace of mind with unparalleled customer service, security and complete visibility of your freight at all times. Our professionals deliver the best service on both sides of the border and the most timely crossings of any carrier in the business.

A SEAMLESS SUPPLY CHAIN AND TOTAL VISIBILITY TO THE BORDER AND BEYOND.

DOOR TO DOOR VISIBILITY

Status updates feed directly into my.yrcfreight.com for easy tracking door-to-door. And our trucks are equipped with GPS for real time tracking in Mexico through our Customer Service Center.

RELIABILITY

YRC Freight personnel monitor every shipment, every step of the way. You benefit from our 20 year trusted partnership in Mexico delivering an on-time record of over 97%.

SECURITY

Your freight is safe and secure while moving across Mexico. We have gated, CCTV-monitored facilities. We perform background checks and drug tests on employees. We even conduct canine inspections upon arrival and dispatch at each terminal.

NO HASSLES

We have border coordinators in Nuevo Laredo to ensure proper paperwork and more timely crossings. We also offer drayage and custom brokerage services through trusted and experienced partners.
