

EASY WAYS TO SHIP WITH YRC FREIGHT

Working with YRC Freight is easy. We see ourselves as your business partner, and we aim to give you a competitive advantage through exceptional LTL shipping service. We have the equipment, the drivers and the technology to ensure you can count on YRC Freight to deliver your shipments.

When you ship with YRC Freight, you get all the convenience and flexibility you expect and need. We provide you with easy access to all of our services and tools through a variety of options, including 24/7 customer service, yrcfreight.com, and integrated tools such as APIs and options to load information directly into your TMS.

INTEGRATE YRC FREIGHT WITH YOUR BUSINESS

API

- Seamlessly integrate data into your Intranet or Internet sites by using our APIs
 - Find Terminal API
Use this API to request terminal information
 - Tracking API
Receive basic tracking information
 - Rate Quote API
Request rate quotes (including spot volume)
 - Document API
Request images of Bills of Lading, proofs of delivery, delivery receipts and weigh inspection certificates

TMS

- YRC Freight can integrate into your home-grown or off-the-shelf TMS system to make it easier for you to manage your shipments
- We can work with your technical contacts to establish an API or transmit through EDI or you can request our transit times and rates from SMC³
- To see all YRC Freight options, be sure to enter all 3 “SCAC” codes when using SMC³:
 - RDWY – Standard
 - YRCA – Accelerated
 - RDTC – Time-Critical

24/7 SUPPORT

- Quote, book or troubleshoot shipments with our 24/7 Customer Service Center. 800.610.6500
- Find transit times, rate quotes and tracking options on yrcfreight.com
- Sign up for an account on our secure my.yrcfreight.com for more robust tools such as:
 - Rate quote
 - Customer invoicing and status reports
 - Bill of Lading
 - Open invoice and payment history
 - Tracking
