

We have trailer capacity on backhaul lanes.

You have freight ready to go.

Are you thinking what we're thinking?

## Spot Volume

Competitive rates on volume shipments

### YRC Freight Offers Volume Freight Shipping

Think of YRC Freight the next time you have a volume or truckload shipment, from as little as 5,000 pounds or 8 linear feet to a full van.

Our reliable volume freight service is the best way to move your large LTL and TL shipments at the most competitive price.

Just how competitive? Find out in four easy steps.

- Login to [my.yrcfreight.com](http://my.yrcfreight.com)
- Get a quote using our online rate quote tool
- Schedule a pick up online or call our helpful customer service team
- Write the quote ID on the bill of lading and the special pricing is yours

***Our best rates are always online***, and our customer service team is here to answer your questions.

Confidence Delivered.®
