Delivering confidence with speed and reliability

# Expedited solutions to meet any time-definite need

Expedited shipments are often your most high-stakes freight and you demand the best from us. YRC Reimer delivers confidence whether your expedited shipment is moving within Canada (Fast as Flite) or cross-border (Time-Critical).

- 100% Customer Satisfaction Guarantee
- Pro-active notification & resolution in the unlikely event the shipment is delayed
- Easy to use! Call for a quote or use our quote-free options
- Real-time online shipment visibility through my.yrc.com
- Freight moves over the weekend; Friday pickups deliver on Monday for shipments with 3-day transit times

## Domestic Canada Expedited Services

### Fast as Flite

- Shipments typically deliver 1-2 days faster than standard service
- Door-to-door expedited TL and LTL service throughout Canada
- Best-in-class speed between the Atlantic & Pacific
- Expertise in shipping temperature-sensitive freight
- Company personnel & equipment handle pickups and deliveries throughout the network

## Cross-Border Expedited Services

### Time-Critical

- Customer-defined delivery time (by noon, by 5 p.m., or within a one-hour window, including holidays & weekends)
- Coordinated air & ground modes to meet any need
- Available to points throughout the U.S. and Mexico
- Specialized equipment for virtually all shipping requirements
- Dedicated customer service available 24/7
