

# Expedited Services

Delivering confidence with speed and reliability

# *Time-Critical*<sup>TM</sup>

*Any Need. Any Speed. Guaranteed.*

## Capabilities to meet your business and shipment needs.

In today's business environment, your supply chain must deliver operational efficiencies that meet your customers' needs. In many cases, that means providing an expedited or time-definite solution to:

- Support just-in-time inventory strategies
- Facilitate product rollouts and launches
- Meet installation crew schedules
- Ensure port arrivals to meet sailing schedules

# Any Need

## Unique shipments require specialized capabilities

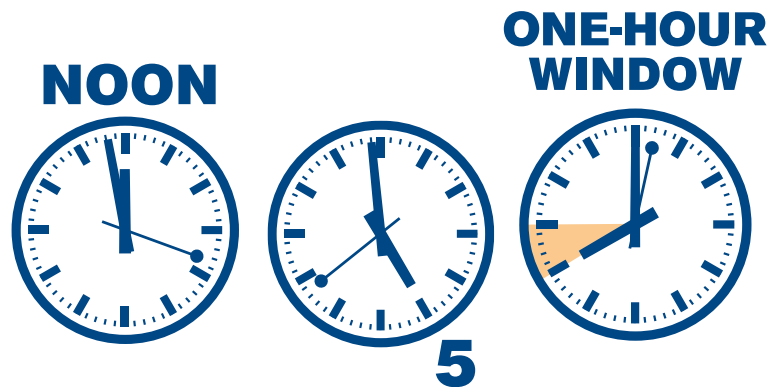

- Air and ground modes are coordinated to meet the most demanding timelines.
- Specialized equipment – from air cargo to cargo vans, dedicated trailers to liftgate equipment – satisfy virtually all shipping requirements.
- Comprehensive North America LTL network and cross border expertise ensure seamless service.
- Special handling surrounds the shipment from the time it's scheduled to its final destination.
- TSA-approved Certified Cargo Screening Facilities and Indirect Air Carrier (IAC) status maintain shipment integrity and avoid delays.

# Any Speed

## The speed to meet your most critical deadlines

- Time-Critical shipments arrive right on time, even if that means hitting a one-hour window.
- Time-Critical accommodates customer-defined delivery dates and times, including holidays and weekends.

# Guaranteed

## Expedited, guaranteed services that deliver confidence

More than anything, you want the confidence of knowing that your critical shipments will arrive on time and intact. That's why every Time-Critical shipment comes with:

- 100% customer satisfaction guarantee\*
- Proactive notification is provided

\* Subject to applicable Tariffs and Rules and Conditions publications

# The Time-Critical Weekend Advantage

## An economical alternative to airfreight

YRC Freight works weekends, counting Saturdays and Sundays as transit days in the service calculation. So while you're enjoying the weekend, your Thursday or Friday Time-Critical shipments are en route for a Monday delivery!

- More cost effective than airfreight
- Great coverage to most points in the U.S. and Canada
- No additional charges; normal YRC Freight Time-Critical rates apply
- Easy to purchase with the YRC Freight quote-free option
- Time-Critical guaranteed reliability
